

HinkleFEST & BENEFIT AUCTION

October 13-14, 2023

Welcome to Hinkletown Mennonite School

Where students explore, parents participate and teachers nurture!

Our Hinkletown Mennonite School theme this school year is, "**God's Got The Whole Word In His Hands**". The HMS vision is to see "**Students Learning and Living God's Purposes**".

It is exciting to be a part of a school community that trusts God and whose lives are built on the resurrection of Jesus Christ. We experience the joy of the Lord because we know that ultimately God is in control of the final outcome in all things.

It is also encouraging to see children and youth being taught the Word of God in classes, chapels, and in school activities. Our desire is to come

alongside our families as we empower students to learn and live God's purposes in their lives.

Thank you for supporting HinkleFEST, for praying regularly for the school, and for your financial support for the ministry happening at HMS. When you invest in the future, you are leaving part of your legacy. All funds raised at this event will contribute to the school's daily operations and the maintenance of our facilities.

To God be the glory,
Miles Yoder
Administrator

It is our mission to not only provide a quality education, but also to help children discover and develop their God-given gifts and appreciate the community around them. See and experience a school environment where children and teachers alike get excited about learning and exploring together what it means to live God's purposes for their lives!

Free wi-fi is available — select "HMS Auction" network.
While online, check-in to HMS on Facebook!

Alumni Makers & Small Business Owners (Fri. & Sat.)

Look for our Alumni who offered their creations and services to our Auction as a way to give back to the HMS community!

Cash and Carry Gift Certificates (Fri. ONLY)

"Face Value" Gift Cards available to purchase Friday Night 10/13 Including a "Grand Prize" drawing

Round Up! (Sat.)

When paying for your auction items at the end of the day you can "Round UP" to the nearest \$10, \$100, or \$1,000. Just let the Auction Cashier know what you would like to round up to.

Special Thanks to

Award Winning Auction Service

(activity costs vary)

- Corn Table
- Barrel Train
- Pony Rides
- Crafts
- Bounce House
- Deluxe Face Painting
- 9-Square
- Games
- Kid's Shop

Special Giving Project 2023: Mini Bus

Each year we hold a Special Giving Project as part of the HinkleFEST Benefit Auction as a way for our community to contribute to the life of the school without purchasing physical items to take home.

This year, we will be raising funds to complete the purchase of **a second minibus** to replace the old red minivan. The 2003 Honda minivan was bought in 2017 to transport students from Reading. In 2019, it became a multi-purpose vehicle used for all sorts of things including athletics and Enrichment Clusters. It is no longer able to meet those needs or the new opportunities that we see on the horizon. We would love to purchase a minibus that can not only do the above, but also be an extra vehicle teachers can use for field trips, the 8th grade Spruce Lake trip, and other purposes and backups for our overall fleet.

Our goal
is to raise
\$10,000
for a
new mini bus.

If we meet our goal of \$10,000, combined with the funds already committed, we will be able to acquire the minibus that will serve HMS and our students into the future.

Middle School: Bake Off

Alumni Spotlight

Jonathan Shirk, HMS Student though 6th grade (1991)

My educational journey began at HMS when I was in Kindergarten. It was always a safe place for me to learn about the world. One of the things that stands out to me was how HMS exposed me to different cultures in my course of study. I learned many relationship lessons and my teachers helped shape my character and integrity. After college, I began working in real estate, but later sensed a call to gospel ministry. In 2006 I graduated with my MDiv degree and began working in Student Ministry. Seven years later, in 2013, I accepted a call to Jerusalem Church in Manheim, PA to shepherd the congregation and lead an effort of church revitalization which is where I currently serve. I am grateful to HMS, that I had the opportunity to study in a private school with a Christian worldview.

Jonathon now writes a blog at *Small Town Theologian* which focuses on helping people find deeper comfort and joy in the gospel. through a podcast, blog, and short books. He has also published two books available on Amazon.

2022 Special Giving Project Report: Greenhouse

Thank you to everyone who contributed to the purchase of the greenhouse last year at the 2022 auction. Everyone was truly amazed by the outpouring of support for this project and how it was funded in one special giving time slot!

The greenhouse was purchased from Lapp Structures in New Holland and it has provided an opportunity for many grade levels to learn about starting seeds and

growing plants. The greenhouse was used this past year for a Greenhouse Cluster, Middle School Clubs and Electives, science projects for the Academic Fair, and starting seeds for the newly planted native garden.

The greenhouse is stocked with soil, pots and gardening tools thanks to additional funding received by Mrs. Lichty through grants and awards.

It's exciting to see students learning about nature and living things through opportunities like starting seeds and growing plants right here on our HMS campus.

Thank you!

Michael (Middle School Science,
FCS, and Bible Teacher)
& Erin Lichty (Pre-Kindergarten
Teacher)

Tax Credit Scholarship

DID YOU KNOW... INDIVIDUALS & BUSINESSES in Pennsylvania can take control of their state taxes and direct them to HMS? *That's right!* Money that you are already required to pay can be directed to, and in support of, HMS! Contact the school for more information.

Support HMS Throughout the Year!

Every time you use your MyNeighbor credit card, Everence will donate 1.5% of the transaction amount to your charitable organization.
