- The **GRAY** Sponsor Sheet is your list for this year and is due on **APRIL 7**.
- The **WHITE** sheet lists any people who sponsored your child(ren) last year. Circle their name if you want your child(ren) to send a sponsor letter this year. Return the list with your gray sheet.
- Fill out the gray Sponsory Sheet (1 per family) with names and addresses of people you would like to receive a sponsor invitation letter, written by your child (sample letter in packet). Emailing your contacts to the office in a digital format is also an option.

SERVATHON

HOW DOES THIS WORK?

WHO CAN I ASK?

Think about extended family—whether they live nearby or across the country! We can send a sponsor invitation letter anywhere, and in past years, Servathon has reached over 30 states.

You can also reach out to mentors, Sunday school teachers, and others from your church who know your child. Don't forget connections through work, sports teams, service providers, and even your favorite local businesses!

We appreciate your support in making Servathon a success!
